The Fast Track Program supports Youth with disabilities starting high school to teach students about pre-employment and post-education transitional services.

## JOB EXPLORATION COUNSELING

Career exploration for in-demand occupations, as well as nontraditional employment. Identifying careers of interest.

## WORK-BASED LEARNING EXPERIENCES

On-the-job experiences, on-the-job training, employer paid work experiences, work-site tours, job shadowing, internships, apprenticeships, or short-term employment

## POST-SECONDARY EDUCATION COUNSELING

Advisement of academic curriculum, career options, information on college applications and admissions processes, completing the FAFSA, academic and occupational training needed to succeed in the workplace, or providing disability support services.

## Workplace Readiness Training

Training in skill areas other than vocational development that students will need to function independently in the community. Skill areas may include using public transportation, meal preparation, money management, communication and interpersonal skills, job seeking skills, and understanding employer expectations.

## Self-Advocacy Instruction

Learning about rights, responsibilities, and how to request accommodations or services as well as being able to communicate any thoughts, concerns, or needs while seeking services.
