The College Advising Center invites you to Advising Day! Academic advisors will present three mini-workshops with general information that all undergraduate students at Columbia need to know.

This is a great opportunity to set yourself up for success and connect with academic advisors before registration for next semester starts. All majors are welcome! Join us for one, two, or all three sessions: whatever works for you.

Registration Basics
How, where, and when do I register for next semester’s classes? What is the Search Criteria button, and how can I filter for open classes/Liberal Arts classes/classes on Tuesdays? What might prevent me from being able to register? How can I prepare for my assigned registration time?

Navigating Your uAchieve Degree Audit
What is the uAchieve Degree Audit? Where can I locate it? What information does it provide? How can my uAchieve help me understand my degree requirements and plan for graduation?

Minors: Everything You Need to Know
What is a minor? Where do minor credits come from? When do I declare a minor? Do I have to have a minor?

WE HOPE TO SEE YOU FOR ADVISING DAY, AND AS ALWAYS, LET US KNOW IF YOU HAVE ANY QUESTIONS. WE’RE HERE TO HELP!
