Columbia College Chicago Community:

Please see the University Center Resident Notice below.

**UNIVERSITY
CENTER**

Dear Resident:

There was police presence at our community today in response to bullet damage at the property, including two broken windows. We share your concern and are fully cooperating with local authorities, who do not believe any residents or guests of residents were targeted in the incident. The shots did not originate from the community and were not directed at anybody or anything at our community.

However, our knowledge of the details is limited. Any information regarding the incident should contact UC Security at 312.924.8911 or Chicago Police Department Detectives at 312-744-8263.

In the meantime, we have increased our patrols, asked the police to have a greater presence at our community and are discussing additional possible measures that can be taken.

Thank you,

-Your UC Team
