Frequently Asked Questions

How do I find a doctor? Go to [www.lewermark.com](http://www.lewermark.com) click on ‘Find a Doctor or Pharmacy’ tab, and then click on GWH-CIGNA. Select PPO network and then search by Specialty within your zip code.

What is a copay? This is the amount out of pocket that you must pay the doctor, clinic or hospital for each visit.

The provider says I am not on the insurance list at Lewer. There is a chance at the beginning of the term, that we have not received the enrollment information from your school. The school needs to send us notification that you are enrolled in the insurance plan. We will reimburse your eligible visit if the provider requires payment up front. Call 1-800-821-7710.

What is an EOB? Explanation of Benefits is a form you will receive online if you visit a provider. It shows the charges, discounts, and any amount that is still owed. You will receive an email that your EOB is available online to review. This is not a bill.

When should I use the Emergency Room? Hospital Emergency Rooms (ERs) are set up to focus on medical emergencies, not routine health care. Many health problems are not emergencies. If you are unsure whether the problem is an emergency:

- Call MyNurse 24/7 for help 1-866-549-5076 - free of charge
- Go to your Student Health Center or walk-in clinic, if open
- Go to the ER if you feel the problem is so serious that it cannot wait until your Student Health Center or walk-in clinic is open

How do I know if it’s an emergency? Most doctors would agree on a short list of problems that should always be treated as emergency – chest pain, not being able to breathe, severe and uncontrolled bleeding, stroke symptoms and, a few others.

What happens if my claim is rejected? Call LewerMark at 1-800-821-7710 or email [lewermarksupport@lewer.com](mailto:lewermarksupport@lewer.com). Occasionally, claims can be rejected if the doctor provides the wrong number or information. We will research the claim and let you know the status. If you receive an Accident and Sickness questionnaire this must be completed and returned before your claim can be processed.

What is the ‘Make Your Mark’ Scholarship Program? It’s a scholarship contest available only to international students enrolled in LewerMark International Student Plans. Please visit [www.lewermark.com](http://www.lewermark.com) for more information. Deadline for entries is March 2nd, 2015.
